

"From pasture to paradise, experience the warmth of home with our freshly baked bread!"

Dear Valued Customers,

I hope this message finds you well. We are writing to inform you of an important update regarding our product packaging, which will come into effect Monday 15th January 2024.

In our ongoing commitment to enhancing the overall customer experience, we are excited to announce a transition for all single serve unwrapped products. To further prioritise the freshness and quality of our offerings, we will be converting these products into packs and packaging them in perforated bags.

This change is a result of careful consideration and extensive efforts to continuously improve our product delivery and maintain the high standards you expect from Gold Coast Bakery. The perforated bags not only ensure the preservation of product quality but also contribute to a more practical approach to delivering our baked goods safely.

Your dedicated Area Sales Manager is available to address any concerns or queries you may have. Alternatively, feel free to reach out to us via email at admin@goldcoastbakeries.com.au

We greatly appreciate your continued support and loyalty. Thank you for choosing Gold Coast Bakery as your preferred bakery partner, and we look forward to serving you with enhanced product quality and convenience.

Best Regards,
Gold Coast Bakery Team
